Bonus track

I like outdoor activities, such as trekking and running. I have 2 years of musical conservatory (guitar). And I'm a fan of the Lord of the Rings.

About me

Hello! My name is Juan and I am a Full Stack developer.
I consider myself a responsible person, with many skills to contribute to the team.
I think that working as a team can achieve greater goals.

I personally like to bring ideas and projects to life. Let creativity be visual.
